So. Georgia/No. Florida English/Spanish Dairy Milker Workshop

*The Hows and Whys of Milking to Maximize Milk Production and Minimize Mastitis*

Two days and times are available to best fit milkers’ schedules:

- Tuesday, August 19, 2014 4pm-8pm (supper will be provided)
- Wednesday, August 20, 2014 10am-2pm (lunch will be provided)

Workshops will begin at Brooks County Ag Center (400 East Courtland Avenue, Quitman, GA) and conclude with in-parlor training at Brookso Dairy (200 South Washington Street, Quitman, GA).

**Workshop instructors, holding simultaneous sessions, will be:**

- **Dr. Steve Nickerson**—University of Georgia Lactation Specialist (English)
- **Jonael Bosques**—University of Florida, Marion County Small Farms Agent (Spanish)

This workshop is free, but please pre-register by Friday, August 15th by sending the form below or calling 386-362-2771 and leaving information with Pam. Unfortunately UGA Ag Agent Garvie Nichols has taken another job. Therefore, Georgia producers, please also send your information to Mary Sowerby or call the Brooks County Extension Office (229-263-4103) and leave information with Andrea.

For more information contact: Dr. Mary Sowerby
Email: meso@ufl.edu
